

SCHOOLHOUSE CORD HUNG PENDANTS

MKT-0011, REV B

Cord hung schoolhouse pendants offer a casual approach to an iconic style. From colorful and playful to more subdued looks, the various cord options introduce personality into the fixture’s design. Select cords receive a rating for “damp” locations — meaning they can be exposed to moisture in the air but cannot come in direct contact with water. Other cords are limited to interior spaces. Cord hung pendants include 7’ of standard cord or 5’ of cotton cord, +/- for socket orientation.
